Can Emergency Vehicles Access Your Driveway?

If we can't get to you, we can't HELP YOU!

HELP US HELP YOU!

Tree limbs and branches can prevent access for emergency vehicles. They also cause damage to antennas and equipment on emergency vehicles. Please make sure your driveway meets the following guidelines for access.

- **Minimum width—12 feet (including tree branches and snow)**
- **Unobstructed vertical clearance of not less than 13 feet 6 inches (no low hanging branches)**
